## Mr. Nash's Corner

### DEAD DYING OR DANGEROUS? (The three Ds)

Unfortunately we had to say goodbye to two trees in our playground last week. During the holidays a very large branch dropped from the magnificent tree near the Quiet Area. Had someone been under this huge branch they would have surely been severely injured or even killed. I was very anxious when the Prime Minister stopped and asked for a photo in front of this tree, holding my breath that another branch didn't fall while we were under it! After calling the Arborist to check what we should do, he informed us that the loss of such a large branch had put the tree out of balance and caused other damage that was irreparable. Other branches were already dying. The sad fact was, that it had to come out sooner rather than later. While the Arborist was here he also noticed another dangerous tree that was leaning over the rocks near the Quiet Area, again which was barely holding on and was hollow within the trunk. Both these areas are places where people gather, walk and play. The Department of Education under its Work Health & Safety procedures has tight guidelines for schools and trees and requires an Arborist report yearly, and they deem what is necessary to keep the school safe. I didn't make the decision to build a school adjacent to Oatley Park but as Site Manager I must keep the area safe for all that come onto the site daily. Some seniors made the statement on Friday that we should replace the tree in our logo with a stump. Amusing, however misinformed. We will discuss the safety of our school playgrounds at the next assembly.

### THOUGHT FOR THE WEEK

Equity: 'We ensure that every student has access to high-quality public education'.

From NSW Strategic Plan 2018-2022 Values

I don't really think this would make a 'good look' logo for our school.

As you can see we make adjustment when and where we can.

**ELECTRONIC LOCK ON GATE**

Our new electronic lock on the access gate at the Administration Block has received favorable comment. I don't know what I expected as it is protecting the safety and security of your children and our staff.

Some comment however has been levelled at the gate not being opened until 3.15pm. When our security fencing was first installed, gate closure times were 9.25 until 3.15pm. This was established with the P&C at the time. For many reasons these times have slipped a little but with the new lock installed we will be holding the opening of gates until 3.15pm each afternoon. Teachers have remarked how quiet the playgrounds and verandahs are in the afternoon with learning taking place right up to bell time. We thank you for your cooperation with this and will continue to ensure our school is safe and protected for the extremely valuable people inside.

**TRANSITION TO CLASSES**

Many thanks to our teachers for a great welcome to their new students and for getting classes up and running so smoothly. When I first arrived at Oatley West classes were formed around Week 4, so we certainly have improved, having classes in place at the end of the first week back. Some schools take even longer to form classes due to fluctuating numbers of students. I request many times during Term 4 the previous year, that people notify the school if they are leaving, or to let people know moving into the area that their local school is the best. This way we can be really organised to start the year. Numbers need to be into the Department of Education so that staffing and accommodation can be arranged ready for the start of the new school year.

## NEW LETTER BOX STAND

To alleviate some of the congestion in our very small foyer, a new letterbox stand has been installed for the purpose of internal mail to P&C and its various sub-groups as well as school mail. Thanks to Mr. Eric and Mr. Steve our General Assistants, who installed this last week and is now ready for use. This system replicates the one we had in the foyer. The money 'chute' remains where it was for security reasons. There is no money to be placed in the new standing boxes.

## ELECTRONIC MEDIA AND FACEBOOK

The use of electronic media certainly has a huge positive side, but unfortunately it can also have a complex negative side. Last year I received many notifications from distressed parents about the negativity that was doing the rounds of our school stage and grade pages. This was raised again at the recent P&C meeting. Unfortunately I can't control what is discussed on closed Facebook accounts but as I've said to parents that have raised this issue with me, it is up to them to reply to anything negative or of a personal nature themselves. In other words outdo the negative with either informed statements or at least counteract incorrect, negative information. The school strives to do its very best and for each step forward one negative comment takes us back ten steps.

We will be revamping the school Facebook page this year with positive 'good news' stories and we hope the community pages will reflect the great things that are happening at our school. Our children watch and listen and also reflect attitude and behaviours that they hear and see. Let's give them good role models for which to use electronic media for their futures.

## STAFF TRAINING

Our teachers and ancillary staff have quite a lot of mandatory training to complete on behalf of the Department of Education. This is separate from Professional Learning that takes place in line with the school's Strategic Directions for the year. On Thursday we had 44 staff attend training for CPR and Anaphylaxis. This will be followed up throughout Term 1 with Child Protection, Code of Conduct, Bushfire Emergency and Anti-corruption training. Our emphasis across the school this year will be ongoing in Writing and training of staff will continue in this area across the year.

## STAGE PLANNING MEETINGS

All stages met last week to organise the term and to arrange their curriculum areas and procedures. These are very valuable days for teachers to get together with quality time for professional

dialogue and to plan together.

Stage 3 teachers in the 'Board Room' in the new Resource Centre building.

Duplicating and Work Room

Mrs Haavisto and Mrs Chappell relax in the foyer of our new Resource Centre building. This building now houses the Duplicating Room, two storerooms, a tea room, the board room and an office that houses our new School Psychologist/Counsellor (Sanober Kazi), School Wellness Officer (Chaplain Benita) and Administrative staff. It's great to see the building in full use now that school has returned.

**VALUE FOR THE WEEK:**

Speak the Truth.  
Respect personal and school property.  
Do what is right.

## Chess Club Term 1 - 2018

**Chess Club** will commence on **Monday 12<sup>th</sup> February (Week 3)** at lunchtimes in Miss Chalkiotis' room. The chess club is run by the **Sydney Academy of Chess** who provides weekly tutoring to students at all different levels of ability in chess. The club is run on a term by term basis but some parents prefer to pay for the whole year upfront. There is also the opportunity to purchase workbooks at different levels while chess clocks and chess sets are also available. The cost for Term 1 is **\$72.00**.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board, puzzle solving and fun practice games. Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Forms will be given out to interested students this week and there is one in this newsletter. They will be due back **no later than Monday 19<sup>th</sup> February (Week 4)**. **No further enrolments will be accepted after this date.**

Please also ensure you indicate on the form the **skill level of your child**.

**Please note:** New Kindergarten students **are not** able to join the Chess Club until Term 2.

It would be appreciated if, due to our new accounting system, chess fees could be paid online (see note attached to forms given out at school). It is also important that the forms be placed in the box in Miss Chalkiotis' room and not left at the office if possible.

## P & C News

OWPS P&C held its first meeting of the year last Tuesday. Thank you to all who attended and contributed to the meeting. Our next meeting will be our Annual General Meeting on Tuesday 6<sup>th</sup> March at 6.30pm in the School Library. A General Meeting will immediately follow the AGM.

**SAVE THE DATE!!!** OWPS P&C will be holding a "Friday before Good Friday Pizza & Trivia Night" on **Friday 23<sup>rd</sup> March** in the School Hall. Pop it in your diary and organise yourself a table of friends who would like to come along for a fun night out!

Our Uniform Shop has been operated by volunteers for many years. The Uniform Shop takes many hours each week to supply Uniforms for our School Community on site saving our families the hassle of buying from retail Uniform stores. This service to our School Community is one OWPS P&C is proud to operate for our families. Our Uniform Shop has grown along with our School and busy parents. OWPS P&C has taken the decision our Uniform Shop requires a paid position to continue to operate at our School in line with our Canteen which also has paid staff. Just like the Canteen, our Uniform Shop will still need continued support from Volunteers to help when the Uniform Shop is "open" on Thursday mornings and other scheduled times. If you are interested in applying for the Uniform Shop Manager position, please collect information from the School Front Office from Tuesday 13<sup>th</sup> February. Applications will be open until end of day, Tuesday 20<sup>th</sup> February 2018.

OWPS P&C recently endorsed a Sponsorship Policy that helps parents cover the costs involved when their children reach an elite level of PSSA or Performing Arts. If you wish to view the policy, or apply, information can be found on the School website under P&C.

**Coles Sporting for Schools** promotion is currently running. There is a collection box at Coles Oatley and in our School Foyer, if you collect any vouchers please place in one of these locations so we can exchange them for sporting equipment for our School.

If you would like to get in touch with P&C, please email [oatleywestpublicschoolpc@outlook.com](mailto:oatleywestpublicschoolpc@outlook.com).

### Q & A's

#### Where is your banking office?

We have recently moved to the new demountable located next to the admin office behind the quiet area. Feel free to visit us every Thursday after the school morning bell if you have any questions regarding banking.

#### How much can I deposit?

There is no limit to how much students can deposit and yes you can deposit 5 cents if you like.

#### Do you accept cheques?

Yes, we do!

#### I've opened my child's 'Youth saver' account online. What do I do now?

Once you have applied online, you can write your child's name and account number on the back of an envelope with money inside and get them to drop it into the class banking bag on Thursdays, our banking day.

We can then issue them their own student number, process their deposit and provide their own deposit book and cover.
