MR NASH'S CORNER

This will be the **last newsletter for Term 1**. Could I take this opportunity to thank all of our community that supports what we do here at Oatley West Public School. Your valuable, positive input into our school is welcomed and staff are grateful to those parents that work alongside us to bring the best possible education we can to your children.

Many thanks to the parent organisers of the **Trivia Night last Friday** in the hall. Unfortunately I couldn't make it but I hear it was a fabulous night. A great community get together!

P&C will be having their final meeting for Term 1 this Tuesday (tomorrow night) in the Library from 6.30 pm. I value the input from P&C and all of our parent committees for their support. Discussion will be taking place about the funding of the playground extension. This is a vital project as the school has grown and this play area is imperative to allow the children to expand along the end of the Astro Turf area.

FIVE MINUTES WITH MRS SHANNON

VALUE FOR THE WEEK

RESPECT

Be polite, cooperative and sensible.
Treat people as you would like to be treated.
Accept and celebrate our differences.

The **Community Festival** organisation is under way for 2019. This year the Festival will run from Friday 23rd to Sunday 25th August. This event is run entirely by volunteers and is a fun way for parents and carers to get to know each other. Please consider getting involved this year. It is the main fund raiser for the school and goes to provide resources directly into the hands of your children. If you are interested and can spare some time either at school or at home please message Sarah Cummings on 0412 669 880 or email owpscommunityfestival@gmail.com.

Parent Teacher Interviews will be held this week. These meetings are a great opportunity for teachers to get a better understanding of your child and to meet with you. Reports go out at the end of Term 2 and 4 and outline how your child is progressing in their learning. I believe the on line process has worked well with positions filling quickly the day the website opened. This is a valuable time to discuss your child and to know your teacher better.

Anzac Commemoration Service-Sunday 14th April. Reminder that Oatley West has been invited to attend this service at the Soldier’s Memorial, Oatley Gardens on Sunday, 14th April. We would like to see as many students marching behind our school banner on the day. Students assemble in Letitia Street outside the club at 1.45pm and move off at 2.00pm. Look for the school banner. The march usually takes around one hour.

Short & Sweet Concert. What a fabulous night of performances last Tuesday evening by the Oatley West children and visiting performers. The hall was packed by an eager community who enjoyed the training, intermediate and senior bands, the recorder group and special guests. Thanks to our parent volunteers and teachers to bring this special event to life. All funds raised via a gold coin donation went to the Australian Children’s Music Foundation who provide weekly music education classes and instruments to disadvantaged children and youth at risk throughout Australia.

Something to share. This came across my social media and I think it’s worth sharing:

“ Each school is a unique organism comprised of the collective struggles, history, and hopes of the community it serves. Just as there's no curriculum that'll work for all students, there's no sweeping fix for education. **The only fix is getting knee-deep in the humanity of it all.**”

LEADERSHIP BY THE RIVER

Our student leaders had the opportunity to attend a session on leadership at The Kyle Bay. We defined leadership and discussed what makes a good leader. Arthur Alla 2017, Young Australian of the Year and founder of Red Earth captivated us with his story. We worked with personnel from the department to share ideas about student voice. Jioji Ravulo challenges us on overcoming stereotypes and labels through being a leader, how to manage our time and make a difference. He also demonstrated how working together achieves more. The students then worked on developing a project which they have named 'Where is the green sheep?' We look forward to sharing our progress as it develops.

Sydney East Hockey Trials

Well done to Lewis and Logan who both attended the Sydney East Hockey Trials on Wednesday 27th March. They performed well, practised lots of skills and played a variety of different games. Unfortunately, they were unsuccessful in progressing to the next level, however enjoyed the experience of learning new skills.

NSW PSSA Athletics Selection Trial Information

Attached to this newsletter is information regarding the NSW PSSA Athletics Selection Trial Information. This trial **is not** for participation at the NSW PSSA State Athletics Championships held on 6 and 7 November 2019. Students will need to qualify for these championships through their school and association representative pathway. This **is not** the same as to when students make it through to Georges River District, Sydney East, NSW etc. This is a separate event.

In 2019 the School Sport Australia Track and Field Championships will be held in the Northern Territory. Due to extreme heat conditions in Darwin during November/December when the National Track and Field Championships are traditionally held, this year's SSA event will be held from the 18-23 September 2019.

In order to select a NSW representative track & field team for this event, the NSW PSSA will be holding a special selection trial. Participation at these trials will be via a formal application to NSW PSSA and athletes **MUST** compete at this event to achieve selection in the 2019 NSW representative team. An entry fee will be applicable to successful athletes.

Participants must be in at least their tenth year (turning ten during the year of competition) in order to compete at a School Sport Australia Championship as per School Sport Australia policy. There are no events at the SSA 12 Years & Under Championships for competitors under ten or turning thirteen.

All athletes must apply using the form provided and include a verifiable official time, distance or height that meets the minimum qualifying requirements listed in the attached form, for each event he/she is applying for. Completion of this application does not guarantee the right to compete at these trials as there are strict entry limits for all events. The convener will consider all applications and send invitations and further information electronically to successful athletes.

To be considered for the Selection Trial for the 2019 NSW PSSA Athletics Representative Team parents are to complete either the online entry application via links below or complete and submit paper entry forms included in the information package at the end of this newsletter. Please note a separate online form must be completed for each event an athlete is applying for. Applications close 5pm Wednesday 26 June 2019. Late applications will not be considered. <https://app.education.nsw.gov.au/sport/Events/View?eventId=6094&subEventId=6095>

PEACEFUL KIDS

Our Peaceful Kids program has been running for three weeks now. Mr Nash, Mrs McDonald and Miss Morgan have been able to hold 5 sessions per week, with each group having 6-7 students within it. This means that 31 students from our school are currently participating in the program.

So far we have learnt about:

- Understanding Mindfulness
- To identify how they are feeling, learn names for feelings and gain more insight into their own feelings and how they can change them with effective coping strategies
- That anxiety and worry are normal feelings that everyone experiences. How worrying makes us feel
- How worrying affects our bodies
- Identifying our body sensations when we get worried or stressed
- How our bodies are affected when we worry - The 'smoke alarm'

How the brain is affected when we worry

We have received a lot of positive feedback with these sessions.

We will be starting new groups midway through Term 2, so if you think this is something your child is interested in please speak to Miss Morgan or Mrs McDonald to fill out a permission note.

Mrs McDonald, Mr Nash & Miss Morgan

For everyone who attended, donated, and helped we thank you for helping us raise **\$6,500** for our school. Such an amazing effort, doubling last year's profit!

We have many generous sponsors to thank who provided some great raffle prizes as well as wine and other donations. Please refer to the Thank You Sponsors page at the end of this newsletter.

Special thanks goes to Mark of Mark's at Oatley for supplying delicious pizzas to feed the hungry crowd of trivia buffs. If you drop into Mark's restaurant please take a moment to thank him for his generosity and efforts.

Congratulations to Get Staffed, the 2019 **winning team** of wonderful OWPS teachers who can now lay their 2018 trivia result memories to rest. Thank you for being there to represent our school. You help to make the night a success and your presence is truly appreciated.

We thank parents, friends, teachers and school staff who helped in every way, from moving furniture, cleaning tables, setting up, packing down, cleaning at the end of the night and so much more behind-the-scenes.

Our amazing bar staff, led by Belinda Pekert, volunteered their time. As did Chris Young and his family who brought the questions to life with their trivia expertise.

And last, but not least, thank you to our Trivia Committee (and their patient families) who have put in many hours over the past few months to bring our Trivia Night together. Lea Pracy, Hayley Smith, Peter York, Colin Foy, Sarah Cummings and Julie Schofield. What a team!

OWPS TERM 2 2019 French Classes

French Classes are continuing in TERM 2

Bonjour à tous (Hello Everyone),

I am pleased to announce that **French Classes are continuing in TERM 2** at Oatley West Public School.

We had a great start in TERM 1 with the **intermediate and advanced students** (Level 2): we revised presentations (how to introduce oneself and talk about one's family, pets...) and the alphabet. We learned the days of the week, the months, the seasons, the weather, numbers, vocabulary of objects and instructions in the classroom. We also had lots of fun with songs and games. We enjoyed playing bingo!

Many thanks to the new teacher Christelle for her involvement and enthusiasm!

In TERM 2, a new Class will start for **beginners students (K to Y2)**, subject to a minimum of 6 students to open the class.

In TERM 2, lessons will continue on a weekly basis:

- LEVEL 1 (Beginners students) (Kindy to Y2): **Fridays - 8 am to 9.15 am**
- LEVEL 2 (Intermediate & Advanced students): **Tuesdays - 8 am to 9.15 am**

TERM 2 is starting on Friday May 3th (LEVEL 1), on Tuesday April 30th (LEVEL 2).

For New students (LEVEL 1 or LEVEL 2), please confirm your interest to the School administrator or the Laurence (ldmaisonhaute@gmail.com / 0481 564 571). You will receive more information and a registration form.

A bientôt !
