The School by the park – Great Kids, Great Teachers, Great School!

OATLEY WEST Cancern

MR NASH'S CORNER

I was very pleased with our start to Term 3 last week. Everyone was mindful of their physical distancing and standing back from the gates to leave room for students to exit after school in the afternoon. I think these procedures will be with us for some time yet. We continue to be mindful of hygiene across the whole school with additional supplies coming from the department last week. Addition-

al cleaning continues daily when the children are out of the classroom with flat surfaces, door knobs, phones, computer keyboards and mouse being cleaned. This happens twice a day as well as teachers wiping down surfaces, classroom equipment and desks regularly as well hand sanitiser each time the class leaves and enters the room. We continue to maintain a positive atmosphere each day and the children seem happy to be at school. We are working on something special to celebrate Education Week as we will not be able to conduct the usual Open Day this year.

We have held off as late as we could to make a decision about Stage 3 camp which we had to cancel on Friday. We will continue to look at an alternative activity which could be held later in the year around mid Term 4.

The Executive are with me at Penshurst West Public School today combined with their Executive team in the second year of Visible Learning training. Both school staff will be involved in this training on Saturday 8th August. This is a huge three year commitment by the staff and feeds into our current school plan and will provide information to assist with the commencement of our new four year plan 2021-2024.

The SRC Seniors will commence conducting our Monday assembly today using the public address system. The first assembly was done last Monday with the whole school listening in to the 'broadcast'. Three students will be selected each week to share their reason for receiving a values award from the previous week. We will continue to address a value each week that the whole school is working toward and this will be shared as usual in the Newsletter so that you can support the school at home.

School Values: Fairness/Integrity/Respect/Cooperation/ Excellence/Participation/Care & Responsibility!

Principal Nash continued

Again I sincerely thank you or your ongoing support during this time. We are certainly 'Learning to Live and Living to Learn' during this pandemic. We will pull through this as a strong community working together.

Kind regards Paul Nash Principal

HEALTHY HAROLDS RETURNs

Life Education (Healthy Harold) will be returning to the school in Week 4 to visit the classes that were missed at the start of the year. A timetables will be provided soon.

Kind regards,

Melissa Di Lucchio – Teacher

P & C NEWS

P&C General Meeting

We will hold our next meeting via ZOOM next Tuesday 4th August at 6.30pm. A link will be shared in next week's newsletter and on skoolbag on the day of the meeting - all parents are welcome to sign on to the meeting.

Traffic Assistance

Last week, our local member Mark Coure contacted P&C to advise the permanent traffic assistance our school has been granted at pedestrian crossings on Short Street and Oatley Park Avenue. Many dedicated parents have lobbied for a very long time through P&C to have the safety of our children crossing roads a priority - it is a great benefit to our community to have this assistance in place.
